EDUCATION

Vellore Institute of Technology
Integrated M.Tech in Software Engineering

Vellore, Tamil Nadu
Sept 2022 – Present

- Cumulative GPA: 8.48/10.0
- Relevant Coursework: Artificial Intelligence, Data Structures and Algorithms, Operating Systems, Database Management Systems, Information and System Security, Object Oriented Programming, Computer Networks, Human Computer Interactions, Requirement Engineering and Management, Software Architecture and Design, Software Construction and maintenance, Software Project Management.

PROJECTS

EduBlog | React.js, Node.js, Express.js, MongoDB

[GitHub](#)

- Developed a full-stack blogging platform tailored for educational content, enabling users to create, edit, and share articles.
- Implemented user authentication and CRUD operations with secure backend APIs.
- Designed a responsive and intuitive UI for a seamless user experience.

Sportify | React.js, Node.js, Express.js, MongoDB

[GitHub](#)

- Built a sports management web app for organizing office tournaments with user login and admin controls.
- Integrated real-time match updates and notifications for participants.
- Optimized database schema for efficient handling of tournament data.

Weather App | HTML5, CSS3, JavaScript, OpenWeatherMap API

[GitHub](#)

- Created a responsive web app to fetch and display real-time weather information based on user location.
- Utilized OpenWeatherMap API for accurate and up-to-date weather data.
- Focused on cross-device compatibility and clean UI design.

Currency Converter | HTML5, CSS3, JavaScript, Exchange Rate API

[GitHub](#)

- Developed an interactive currency conversion tool using live exchange rates from a public API.
- Ensured precise currency calculations and fast UI response.
- Designed a simple, user-friendly interface for quick conversions.

TECHNICAL SKILLS

Languages: C, C++, Java, Python, JavaScript, SQL

Frameworks & Libraries: ReactJS, Express JS, NodeJS

Developer Tools: Git, AWS, VS Code, PyCharm, IntelliJ, Eclipse, Unix/Linux

Design Tools: Figma, Adobe XD, Photoshop, Canva

PERSONAL STATEMENT

A motivated and enthusiastic learner with a passion for acquiring new skills and applying them in real world scenarios. Strong leadership abilities, effective decision-making skills, and a collaborative mindset, with a drive to contribute meaningfully to team success and innovative projects.
